

# City of Lodi Lodi Electric Utility Public Power Week Design Contest

Every year Lodi Electric hosts an open house for Lodi Unified Elementary schools to learn about the Electric Utility Industry.

The winning design will be printed on staff shirts to be worn at our annual open house. The design will also be printed on backpacks that will be given to all elementary students that attend.

Winner will also be given a private tour of our facility during our event on October 16, 2019

- Rules:
- Digital images entries only. Submit to [EUDMailbox@lodi.gov](mailto:EUDMailbox@lodi.gov)
- One winner will be picked by Lodi Electric's Public Power Week Committee
- All artwork must be original and can include high resolution computer generated images
- Designs cannot contain copyrighted images unless accompanied by a letter of release from the copyright holder.
- Once submitted, all artwork will become property of the City of Lodi Electric Utility and may be incorporated into future designs or other marketing materials (including website and social media) without compensation, limitation or future reservation of rights.
- The Lodi Electric Utility reserves the right to accept or reject any or all submitted designs.
- Artwork is subject to change due to the manufacturing process.
- Lodi residents only.
- Limit one entry per person.
- Employees of the City of Lodi are not eligible.
- The winner will be announced on social media on August 16, 2019.
