

CITY OF LODI

ELECTRIC UTILITY DEPARTMENT

SCHEDULE CSS

CALIFORNIA SOLAR INITIATIVE SURCHARGE

APPLICABILITY:

This schedule is applicable to all electric customers served by the City of Lodi. Each customer shall pay the applicable rate(s) plus the California Solar Initiative Surcharge (CSS) for each kilowatt-hour (kWh) delivered to the customer.

The CSS shall fund incentives for customers participating in the Lodi Solar Rebate Pilot Program. California Senate Bill 1 (SB1) mandates that all electric utilities offer a solar photovoltaic program that provides incentives to support the development and installation of solar systems throughout their given service territory. Based upon SB 1 funding requirements, Lodi Electric Utility shall make available approximately \$600,000 annually between the years 2008 – 2017.

RATES:

Effective on all bills rendered on or after January 1, 2008 until December 31, 2017, a surcharge per kilowatt-hour (kWh) will be applied to all kWh sold. The CSS shall be applied to all kWh sold and will be non-discounted.

The surcharge amount of \$0.00125 will be applied to all kWh consumed by each customer in all rate classes.

All funds collected under this surcharge will be placed in an account solely for the purpose of implementing the Lodi Solar Rebate Pilot Program
