RESIDENTIAL MEDICAL DISCOUNT

APPLICABILITY:

Qualifying residential customers on Schedule EA are entitled to a discount of 25% from the total bill. Qualifying residential customers on Schedule ED are entitled to a discount of 5% from the total bill. Master-metered customers with qualifying tenant(s) on Schedule EA are entitled to a discount of 25% per billing cycle (monthly bill) for each qualifying household or mobile home unit. Master-metered customers with qualifying tenant's' on Schedule ED are entitled to a discount of 5% per billing cycle (monthly bill) for each qualifying household or mobile home unit. If a customer or full-time resident in the home or mobile home unit has one or more of the medical conditions listed below, contact the Electric Utility Department to request a City application, "Declaration of Eligibility for Medical Discount." Only one medical discount adjustment per household or mobile home unit is available.

QUALIFYING CONDITIONS:

To qualify for the Medical Discount, the customer will be required to submit a completed City application, including the certification of a doctor of medicine or osteopathy licensed to practice in the State of California that a customer or other full time resident in the home is:

- (a) Dependent on a life-support device used in the home.
- (b) Paraplegic, hemiplegic, or quadriplegic person having special air-conditioning needs.
- (c) A multiple-sclerosis patient with special heating or air-conditioning needs.
- (d) Medical conditions other than multiple sclerosis, paraplegia, hemiplegia, or quadriplegia may qualify customers for medical quantities for electric heating or air conditioning. Any such conditions will be reviewed on an individual basis.

LIFE SUPPORT DEVICES:

A life support device is any medical device necessary to sustain life or relied upon for mobility. To qualify under this schedule, the device must be used in the home and must run on electricity supplied by the City of Lodi.

The term "life support device" includes, but is not limited to respirators, iron lungs, hemodialysis machines, suction machines, electric nerve stimulators, pressure pads and pumps, aerosol tents, electrostatic and ultrasonic nebulizers, compressors, IPPB machines and motorized wheelchairs.
